

EVEN THEORIE

TOOLS

De begunstigde organisaties moeten onder hun deelnemers milieuduurzaam en -verantwoord gedrag bevorderen en maximaal gebruikmaken van de door het programma verstrekte financiering ter ondersteuning van duurzame reiswijzen. (KA1 Erasmus Quality standards)

MILIEU EN BESTRIJDING VAN KLIMAATVERANDERING

IN EEN NOTENDOP

Het Erasmus+-programma is een belangrijk instrument om de kennis, vaardigheden en attitudes te vergaren met betrekking tot klimaatverandering en duurzame ontwikkeling te ondersteunen.
