INFORMATION

The online seminar is a Transnational Cooperation Activity among National Agencies (TCA) under the Erasmus+-Programme. It is organized by the German National Agency for Erasmus+ school education (NA-PAD).

Target Groups: This event aims at attracting newcomers to the Erasmus+ programme: Target groups are teachers or head teachers from schools in the field of general education (lower and upper secondary education / pupil age from 10 years onwards). Participants should be motivated to apply for (or cooperate on) an Erasmus+- project in 2021.

Seminar objectives: The seminar is a contact seminar with the objective to start school mobility projects and eTwinning projects in the next Erasmus+-Programme (2021-2027).

Seminar participants

- will acquire the know-how to apply for a school mobility project under Key action 1 in the new Erasmus+ programme
- will learn how to carry out a virtual project on the eTwinning platform
- will be connected to teachers in other programme countries with similar interests who could be partners in future projects
- will learn from best practice projects in the field of green Erasmus+
- will understand what makes a good quality project (concepts for learning mobility and blended mobility, thematic cooperation projects)

Registration deadline for NAs: 18 January 2021

Certificate of attendance: All participants will receive a Certificate of attendance for this training after the seminar.

Seminar language: English

Technical requirements: We kindly request our participants to download the required communication tool before the meeting and to use a camera and a headset with a microphone.
